WORK EXPERIENCE

STUDENT

FENERBAHÇE University   Started at 2022 - 2023

- I am a second-year Computer Engineering Student at Fenerbahce University, As a dedicated student, my journey in the world of programming and computers has been nothing short of exhilarating. From the first lines of code I wrote to the countless hours spent delving into the intricacies of algorithms, my love for this field has only deepened with each passing day. Being a student isn't just about acquiring knowledge; it's about embracing the excitement of discovery. My love for programming stems from an insatiable curiosity, driving me to continuously learn and explore new concepts, languages, and technologies
